Dear North Plains Senior Center Friend,

Thank you for your interest in becoming a North Plains Senior Center member. If you are 50 and older, you qualify to be a member.

Your membership dues are vital to the life and growth of our beautiful Senior Center. It is only through grants, various fundraisers and membership dues that the Senior Center can pay its monthly bills and provide the community with activity programs and services all of us can enjoy. The Senior Center does not receive federal funding.

Your membership dues give you a vote in the elections of the people who are running the center. All electee's are volunteers.

If you have not been a member of the Senior Center before, please consider joining now for 2025. Dues for one year are only \$24 and all money collected contributes to funding the operational costs of the Senior Center. Should you join later than 1/15/2025, you may pay a prorated rate by reducing your membership fee for the year by \$2.00 for each month that has passed beyond the 15th of the month.

If you have not been a member of the Senior Center before, please consider joining now.

To join or renew your membership, please make your payment at the front desk or you may submit a check via mail. Mail the application and check to the address in the header above. All applications will be presented to the board for final approval. Thank you for your participation and support.

Sincerely,

North Plains Senior Center
Board of Directors
